Summary

About Me:
Tech Explorer Extraordinaire
Hey there! I'm JOTHSHANA S M, currently on a thrilling adventure
pursuing a Bachelor's in Computer Science and Engineering at
BANNARI AMMAN INSTITUTE OF TECHNOLOGY. Picture me as a
tech enthusiast with a penchant for crafting digital magic! #

Web Development Wanderer
Web development is my playground, and I'm juggling with HTML,
CSS, and JS. Currently, I'm diving into the React JS universe,
turning static pages into dynamic wonders. Backend development,
you're next on my hit list!

Code Composer
Beyond the classroom, I'm a problem-solving maestro on LeetCode,
CodeChef, and HackerRank. My coding escapades are neatly
tucked away on GitHub, where you can witness the symphony of my
projects and open-source contributions.

Academic Maverick
Academic wins? Oh, yes! Scored 83.2% in SSLC and soared to
91.2% in HSC at VIDYA NETHRRA MATRIC. HR. SEC. SCHOOL.
And entered Engineering with 191 cutoff. Firm foundations, soaring
ambitions!

Frontend Virtuoso
Currently, I'm orchestrating a symphony of code as a frontend
virtuoso using React JS. The pixels on my screen are dancing to the
rhythm of my creativity!

Aspiring Tech Titan

Goal? To land a seat in the tech premiere league—contributing mad skills and passion to high-tier, product-based companies. Each tech skill I acquire is a step closer to expert status!

Let's Connect and Geek Out
Let's connect and geek out on the latest in tech and development! Thanks for swinging by, and I can't wait to connect with fellow tech enthusiasts!
